### **A benefit for the youth centre: Soccer table of Infastaub donated**

18.08.2016 News

The child and youth centre „Habbeltown“ received the high-quality tournament soccer table.

Sometimes there are nice coincidences that bring together people. This way an employee of the „Quarzwerte Frechen“ brought together the people from Bad Homburg with the people in Frechen, Germany.

The story is quickly told: The employee was on behalf of his company at a trade fair. There, he took part at a competition at the stand of Infastaub and won the high-quality tournament soccer table. The soccer table is part of the Infastaub fair stand and an established meeting and communication point. For three years it is included in the stand concept to draw the soccer table at the end of the fair.

The employee returned back to his company with the pocketed win. There he enquired immediately about a social objective. And after a short contact with the local municipality, the receiver for the new soccer table was chosen: The child and youth centre „Habbeltown“ should get the high-quality tournament soccer table.

Infastaub head of sales Jens Kampmeyer and Infastaub sales engineer Ulrich Fechner personally brought the soccer table to the „Habbeltown“ centre. Lara Platt from the social

organisation and her colleague Marc Klasen accepted the present for the prospective users with thanks.

By the way, the winner didn't want to mention his name.
