Achema 2018

01.06.2018 News

Achema is the leading trade fair for industrial process solutions and opens its doors in Frankfurt from June 11th to June 15th, 2018. Of course, we are also joining. You find us in hall 6.0, stand B49.

1920, the first Achema took place in Hannover. Since 1937 this international trade fair for chemical technology and process industry is based in Frankfurt on the Main, Germany.

In view of the increasing number of exhibitors, the organizer of Achema counts on a large amount of visitors for 2018. 167,000 participants, who visited the last event in Frankfurt, need to be beaten.

Infastaub has reserved its stand and decided on the design. As at last Achema in 2015, you will find us in hall 6.0, stand B49.

And in order to have some fun on the agenda besides the fair visit, we again bring along a tabletop football. Subsequent to the fair, we will donate the tabletop football to a social facility near to our headquarter in Bad Homburg.
