Advent calendar with many prizes

28.11.2017 News

For our Facebook fans we have created a digital advent calendar for the pre-Christmas period. There, you can prove your knowledge.

From December 1st to December 24th all participants of the advent calendar can win great prizes. Every day a question about Infastaub and Christmas time is asked and needs to be answered. Some great prizes wait for correct answers.

In order to take part at the advent calendar, registered users need to follow the link. An overview with all 24 doors appears and the correct door for the day needs to be found. After clicking on it, a question is asked to the user. When the participant answers correctly, he takes part in the competition of daily prizes automatically.

We wish lots of fun with the advent calendar and a pleasant festive season.
