## News

### Good condition of Infastaub employees

02.09.2015 News

As already the last two years all running enthusiasts who work at companies in Bad Homburg have measured their sport level.

On 02.09.2015 more than 1,200 runners from 100 companies started for the five kilometres long distance of the „Bad Homburg runs after work“ challenge.

The run also did something good: Part of the start fee was donated again to the „Leberecht foundation“, which supports handicapped children and their relatives.

Nine runners of Infastaub started at the challenge. Michael Graf improved his time from last year by almost two minutes and crossed the finishing line after 0:19:59. That was enough for the 33rd place. In the field of company groups the team with Michael Graf, Jens Kampmeyer and Klaus Schott resulted on the 14th place.

Afterwards the results were celebrated at the open-air party.
