News

Infastaub is sponsor of the girls' handball team of „TG Bad Soden“

12.06.2016 News

With the first sponsoring of our company history we want to support the further success of the hand ball team and their entry into the finals.

The season 2015/2016 was very successful for the female B1 youth. Already before the last match in the first league, which the girls also won, was definite, that they will be champions of the state of Hesse.

„The concept of the youth work within the TG Bad Soden convinced. The youth team has developed very well within short time. It's a proof of how much one can achieve with team spirit. These values reflect our acting. Motivated, self-reliant, team-oriented and eager to learn staff are also our most important factors of success“, so Berthold Geppert, Managing Director of Infastaub GmbH. „We support very focussed the further success of the handball team and their entry into the finals with the first sponsoring of our company history.“

In the future Infastaub will also be engaged in sport sponsoring. We will support sports clubs which are active in youth works. Therefore we will invite for a competition in next year. More information concerning the application procedure for sports clubs will be published in the second half of the year.
