Loyal member at the Frankfurt marathon

30.10.2019 News

The oldest German city marathon and with regard to the number of finishers the second largest marathon of Germany is very popular among the participants, especially because of its spectacular and great finishing line. And since 10 years Klaus Schott, our head of sales and order management, takes part.

Along the red carpet the last round is in the „Frankfurt Festhalle“ and the runners are celebrated from the ranks after more than 40 km. It is just a single big running party. And since 10 years Klaus Schott, our head of sales and order management, takes part.

The last sunday in October is a fixed date in his calender, in order to run 42,195 kilometers through Frankfurt. Since 2009 he makes his way on the marathon course in the Main metropolis. Now he has the privilege and honor to join the Frankfurt Marathon Club and can choose his personal and everlasting starting number. An honour reserved for only those who have reached the finish at least ten times. Klaus Schott has decided for number 1609.
