News

POWTECH 2016 again a great success

25.04.2016 News

Extended dialogues, many interesting insights, filter units at a finger tip - that was the visitor result on the stand of Infastaub at POWTECH 2016.

Special highlight was the acrylic filtermodel with clean gas chamber, cleaning equipment and raw gas chamber with different types of filter media. This way, the jet-pulse cleaning was visible and made it a true experience.

The traditional table football table caused a lot of action. Visitors could prove their playing ability aside the hectic atmosphere of the trade fair. A winner was drawn on the last day. A new football table goes to the company „Quarzwerte“ in Frechen, which donates it to the youth club „Habbeltown, a charitable society in town.

We give a very warm thank to all visitors. Great, that you visited us.

At the IFAT Munic from May 30th to June 3rd you could have visited us again. Together with the VDMA (German Machinery and Plant Manufacturing Association), Infastaub participated in the trade fair for environmental technology. Highlight was be the „Live Garden“ of the exhibitor community. Important issues of air pollution control like dust collection, cleaning, explosion protection, dustfree disposal, energy efficiency, heat recovery as well as safety at

work places and health protection were presented in a vivid manner.
