### **This was the Solids 2018**

09.11.2018 News

From November 7th to November 8th, 2018, trade fair visitors didn't visit the „Schüttgut“ in Dortmund anymore, but the „Solids“. Also Infastaub was present in Dortmund with a stand sized 36 qm.

From November 7th to November 8th, 2018, trade fair visitors didn't visit the „Schüttgut“ in Dortmund anymore, but the „Solids“. Through the years since the premiere 2006 in Duisburg - Infastaub already participated then - the share of international exhibitors increased in 2016 to almost 20 percent. Regarding visitors the increase was about 12 percent. The organizer Easyfairs meets the needs of the growth and the increased international significance.

Also Infastaub was present in Dortmund with a stand sized 36 qm.

The evening event „Networking on Ice“ in the adjacent ice sports center ensured a relaxed end of the first fair day. There, visitors and exhibitors could socialise or strengthen contacts or just relax from the fair.

Fair visitors just could also relax during the regular opening hours. For the first time, we brought along our traditional fair soccer table to Dortmund. Our visitors had a lot of fun

playing some rounds.
