Donations instead of presents

We have been foregoing Christmas gifts to customers and business partners and giving away something much more valuable - the opportunity to give perspectives with our monetary donation.

Not only social interaction, but also financial support has broken down in many places. This is one reason why social commitment is important to us. For several years now, we have been foregoing Christmas gifts to customers and business partners and giving away something much more valuable - the opportunity to give perspectives with our monetary donation.

In everything we do, it is important for us to show solidarity with our immediate surroundings. Thus, the "Landgräfliche Stiftung" Bad Homburg, which is one of the oldest youth welfare institutions in Germany, and the association "Frauen helfen Frauen" from Oberursel, which among other things runs the women's shelter Oberursel, received our past Christmas donation.

Managing Director Berthold Geppert symbolically handed over the donations to the institutions.
